RE: Ted Cruz for Senate (C00492785)
RQ-2s dated February 2, 2016 referencing July Quarterly Report (5/10/2012-6/30/2012)
and October Quarterly Report (7/12/12-9/30/12)

Dear Mr. Matheson:

On January 14, 2016, to supplement the public record, I provided additional information to the Federal Election Commission regarding personal loans from Senator Ted Cruz to Ted Cruz for Senate (the "Committee") during the 2011-2012 election cycle.

Since that time, complaints have been filed with the Federal Election Commission, and each of those complaints are focused on the extensions of credit referenced in your Requests for Additional Information ("RFAI"). It is our understanding that the Commission does not send RFAs during the pendency of a complaint under the requirements of 52 U.S.C. § 30109(a)(12)(A).

The Committee proactively provided additional information to the Commission on January 14, 2016, and you can expect our cooperation to bring this matter to a quick and amicable resolution. Therefore, we intend to file our responses as they relate to this matter in accordance with the agency's standard practices and procedures.

Again, we look forward to working with the Commission to bring this matter to a close.

Sincerely,
Bradley Knippa
Treasurer
